

## Halogen Free

Tuesday, 20 April 2010

Sirectifier Global Corp. (SGC) announced that all series of the "Halogen Free" products including power package and surface mount device have available now. The molding compound is the key point regarding "Halogen Free". At present, we are putting to use the new green molding compound of "Chang Chun Plastic" and "C & L Hi-tech" instead of their old ones(Please refer to our SGS report No. CE/2009/96001 & KA/2009/50001).

Besides, all lines of our diode already conform to the new critical requirements of environment rules including REACH, PFOS, PFOA, PAHs, PBBs and PBDEs.

For further details, please contact SGC at the location nearest you.

Sirectifier Global Corp., Delaware, U.S.A.
