

Sirectifier in Taiwan

Friday, 19 February 2010

Sirectifier Electronic Co., Ltd. (SECL) is the marketing and logistic unit to be part of Sirectifier Global Corp.(SGC). SECL have been playing the role of very important function in SGC group since 2000. In 2009, also our sales branch who is in charge of the business in south China has established in Shenzhen, China.

In December 2009, SECL have moved to new our own office and broaden the scope of business and service with our extensive partner and customers. Meanwhile, SECL already set up many new product lines including SMD (Surface Mount Device), ESD protector, PWM controller and Ultra Fast Recovery Diode, etc.

The new address and contact information of SECL in Taiwan and China are as below:
